## REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The Mitchell Road Elementary faculty, staff, and community developed a comprehensive strategic plan outlining the goals, objectives, and strategies for our school. The goals focus on academic achievement, parent involvement, and a supportive educational environment. The goals address the specific school needs and are aligned to the district's Education Plan. The School Improvement Council along with school personnel regularly review the progress made in achieving these goals.

Mitchell Road Elementary is an award winning school. In recent years it has been named a National Blue Ribbon School of Excellence and a Carolina First Palmetto's Finest School. In addition, the school received the Red Carpet Award for exemplary customer service and the Safe Kids School Award for keeping children safe and healthy. Twelve teachers have received National Board Certification.

Our PTA actively supports our school through fundraising and volunteer hours. Parents have many opportunities to be involved in their child's education. The active involvement of the school's PTA helps provide programs that benefit all children. Opportunities include tutoring, volunteering in classrooms or the office, mentoring students, serving on committees, landscaping, chaperoning field trips, etc. We recognize the importance of parent involvement in our school and the impact that it can have on student success.

Teachers and staff work together to meet the needs of every student. Every child has the opportunity to achieve success related not only to academics, but also in areas such as music, art, and physical education. All students are encouraged to do their best at all times! We enjoy celebrating the successes attained by each child.

Nerissa Lewis, Principal
